Brake - 12' 6' Metal Brake # R113603 (R113603)

The Mark 1 design represented a quantum leap in the manufacture of bending brakes when first introduced. The first true cam-locking system in the industry, the Mark 1 featured fewer parts combined with a rugged durable design that increased on-the-job performance while extending the brake service life. An impressive array of bending capabilities put the Mark 1 in a class all by itself.

**Rates**

Minimum/4hr - \$33.00

Day - \$49.50

Week - \$148.50

**Picture**

The Mark 1 Series Bending Brake is the only brake on the market able to handle both residential and commercial applications without constant adjustments.

**Bending Capacities**

Material	Recommended
Galv. Steel	26 ga.
