About our Tents

All tent rental rates include setup. All of our tents require a relatively level surface for setup, and at least 6' of clearance on each side to account stakes and guy-lines. Call to discuss special situations.

While Pole tents must be set up on soil/grass, Frame tents can be set up on any level surface! Call to get your reservations in for the graduation/party season!

Call 811

SAFETY NOTICE:

All of our tents are secured using 20"+ metal stakes. In order to avoid damage to property, and for the safety of our employees, we require that all utilities be marked prior to setup. Miss Dig (811) is a free service. We recommend calling at least a week in advance in order to avoid any unpleasant delays.

Delivery

Delivery is determined by the distance of the location being delivered to, and so is separate from the rental fee. Call for a quote.
